

ÍNDICE DE FUENTES JURÍDICAS

Este índice abarca las fuentes jurídicas usadas en esta obra. La primera fila de cada columna consigna el fragmento a que se hace referencia de acuerdo al estilo moderno de citación; la segunda consigna las páginas, y en su caso, con indicación de la nota al pie de página (n). En primer lugar aparecen, en orden alfabético, las fuentes contenidas en el *Corpus Iuris Civilis*; en segundo término todas las demás fuentes jurídicas romanas colocadas en orden alfabético. Los lugares de las Pauli Sententiae que se citan en este índice son los que aparecen citados en el análisis de otras sentencias.

I. CORPUS IURIS CIVILIS
